

At Bright Hope Education Center, we're all about sparking joy and curiosity in every child! Our heartfelt mission is to nurture both the mind and soul by promoting academic excellence alongside character development.

We're utterly passionate about guiding each student towards excelling academically, developing healthy habits, and cultivating a lifelong love for learning and life itself.

We truly believe that every child is brimming with incredible potential, just waiting to be unlocked and celebrated. Through our collaborative efforts, we can help each child shine brightly with hope and confidence!

Together, we aim to empower each student to reach their amazing potential—all wrapped up in love and excitement for the future. Here at Bright Hope, we make education an adventure of a lifetime!

EXTRACURRICULARS:

TUTORING (K-6TH):

We provide quality, personalized instruction to students who need additional support in Math / English in a private (1 on 1) session.

CHESS (K-5TH):

Begin today with critical thinking and make your cognitive move count! Learn how to play chess or sharpen your skill with our wonderful chess coach.

CHINESE (K-5TH):

Students will expand conversations about the world around themselves and further their learning of the Chinese characters in order to build reading as well as writing skills.

ART (K-5TH):

Students will engage in 3-dimensional creation, grow an appreciation for art and expression, explore illustrator creation, and lots more!

PIANO (K-5TH):

Students will learn the fundamentals of sight reading, technique and theory, including fun songs into the lessons.
